**Micro-Coax appoints KJS Marketing as Midwest U.S. Sales Representatives**

**Pottstown, PA - September 9, 2009:** Micro-Coax is pleased to announce the assignment of KJS Marketing as sales representatives to the Midwest United States region.

In operation for over 35 years, KJS Marketing is a leading high-tech Manufacturer's Representative firm in the upper-midwest. They will be providing outside sales support in IA, IL, KS, MN, MO, ND, NE, SD and WI.

Specializing in military/aerospace, telecommunications and medical devices, KJS employs highly trained representatives to provide optimum customer service in the field. Micro-Coax looks forward to this opportunity to increase its presence in the Midwestern market through a partnership with KJS Marketing.
